

# HARBOUR CIRCLE

## PROGRAM FOR THE LAUNCH OF THE HARBOUR CIRCLE, 29 MAY

**1 11:00-17:00  
LAUNCH OF THE HARBOUR CIRCLE**

The official inauguration of the Harbour Circle will take place at the northern end of Havnegade from 11:00-11:30. Copenhagen Major of Technical and Environmental Affairs Morten Kæll and Director of the Danish Cyclist Federation Klaus Bondam will hold speeches. Bring your bike or rent one locally and join them when they inaugurate the Harbour Circle with a bicycle parade starting from Havnegade and continuing over the bridges of Knippelsbro, Cirkelbroen and Bryggebroen before returning to Havnegade via Kalvebod Brygge and Christians Brygge, a route totalling 7km. Havnegade will be a celebration zone with on-stage music and deejay entertainment in addition to bicycle concerts, bicycle stalls and bicycle coffee and food vendors. The event is hosted by Master Fatman on his cargo bike. Come and join the party!

**2 11:30-16:30 BIKE PARADE  
ALONG THE HARBOUR CIRCLE**

After the initial bike parade there will be regular departures of cycling teams all day from Havnegade along the new route. We invite all cyclists to visit our information tent at Havnegade and get a map of the route and a few good tips on the many activities along the Harbour Circle. Join us at Havnegade for the whole trip or for just a section of the route – whatever suits you best.

**3 11:00-17:00.  
THE HARBOUR CIRCLE 'KARMA QUAY'**

Karma Kajen ('Karma Quay') presents the first bike concert along the route with music starting from 11:30. The bike concert ends with a performance on stage at Havnegade around 14:30. In addition to featuring a tandem team and a bike concert, a 'karma deejay' will keep the music spinning from the stage all day.

**5 11:30 SEVEN-KILOMETRE SOCIAL RUN  
ALONG THE HARBOUR CIRCLE**

Enjoy the unique harbour environment on a friendly and charming run. The recreational club Running Copenhagen invites everyone to take part in a 7km social run where experiences along the harbour have a social focus. We all run together at a pace of about 6 minutes/ kilometre. Along the route there will be entertainment, music and the encouraging sound of bicycle bells from the Classico cycling team.

**6 11:00-15:00 GREEN BIKE RIDE ALONG  
THE HARBOUR CIRCLE**

Buying a cargo bike can be a big investment. The environmental office 'Miljøpunkt Indre By - Christianshavn' seeks to promote green mobility in the city. If you are considering buying a cargo bike but would like to experience what everyday life is like with such a bike you can become a test family and borrow a cargo bike for up to 3 months. Visit the Miljøpunktet bike stand and learn more – and take a ride along the Harbour Ring with the family in a cargo bike.

**7 10:00 TO 17:30 COPENHAGEN BICYCLES  
– THE DANISH EXPERIENCE**

Begin your cycling experience at the Copenhagen Bicycles store, which offers bikes for hire. Knowledgeable guides look forward to showing you around on bike rides along the Harbour Circle starting at 11:00. The store also offers support services such as compressed air for your bike tires and a cloth to wipe your bike clean. Do like the Danes – and hop on a bike!

**8 11:00-17:00. OPEN HOUSE AT  
FÆSTNINGENS MATERIALGÅRD/BLOX**

Learn more about the BLOX project – the new home of the Danish Architecture Centre. The project exhibition at Fæstningens Materialgård will be open. Here you can enjoy free coffee and fruit in the rose garden. Visit the BLOX exhibition and also see a model of the new combined bicycle and footbridge set to cross the harbour from Vester Voldgade. And have a chat with representatives from the urban development foundation Realdania, construction company Züblin, the Danish Architecture Centre and BLOXHUB. You can also cross the temporary footbridge reaching over Frederiksholms Canal. Learn more about Copenhagen of the future!

**10 11:00-17:00. 'THE HARBOUR THEN AND  
NOW' – A PHOTO EXHIBITION**

The exhibition 'The Harbour Then and Now' highlights the city's waterways. Earlier this year, Copenhagen Photo Festival arranged tours on land and on water reaching every corner of the harbour. In addition, Copenhagen Museum opened a photo competition inspired by archive photos from selected locations along the harbour. The best photos can now be experienced at the exhibition 'The Harbour Then and Now' at the community cultural centre Kulturhuset Islands Brygge. Come to the opening event and award ceremony at 15:30.

**15 12:00-16:00 FISHING BY SLUSEN**

Come and experience aquatic life in the harbour. Copenhagen Harbour offers high water quality and rich aquatic life with plenty of eelgrass, algae, sea creatures and about 100 species of fish.

There are herring, cod and flatfish in the harbour, but also many other lesser-known species. The environmental school Øresundsmiljøskole will introduce you to some of the well-known and also lesser-known aquatic residents. If you are lucky you might even see a seal by the Sluice. The guided tour is in Danish.
